

DIBBS.

Dibbs by the numbers

Your physical to digital partner for web3

Bringing Physical Assets into Web3 since 2020.

Your physical to digital partner in Web3. Our mission is to help brands and IP creators build deeper, more authentic, and monetizable connections with their communities by safely and securely creating a digital presence for their physical collectibles. Our team is focused on becoming the most trusted platform in the world for the minting and redemption of collectible-backed digital tokens.

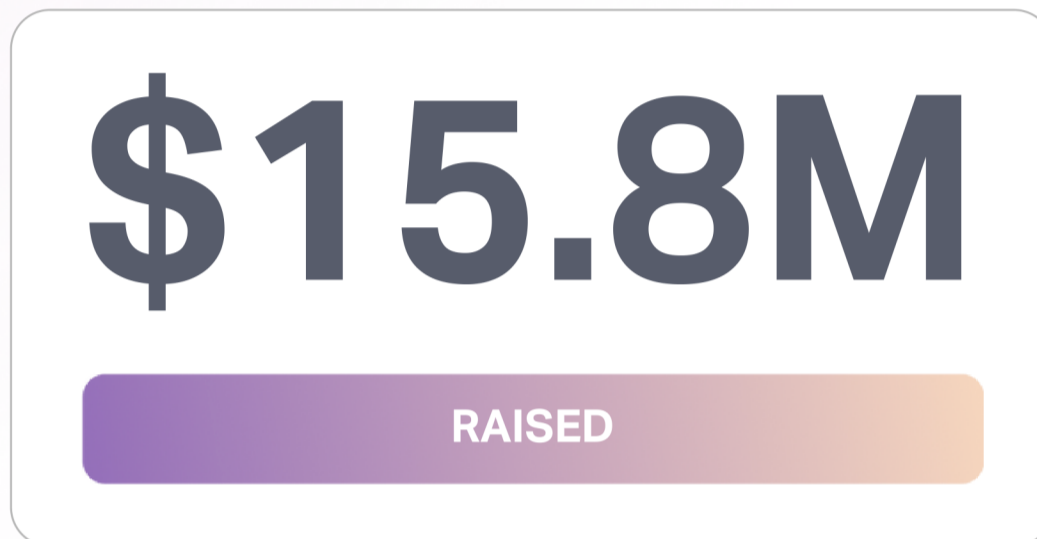

GLOBAL FOOTPRINT

-  Headquartered in Los Angeles, CA
-  Global offices in New York, Sao Paulo and Stockholm
